VOTING INFORMATION

REGISTERING TO VOTE

Anyone who wants to vote in this election must be registered to vote in the City of Albuquerque. **You must be registered to vote with the County Clerk by Tuesday, September 8 to vote in the October 6 Municipal Election.** For questions about voter registration call the County Clerk's office at 243-VOTE (8683).

OPEN AND ETHICAL ELECTIONS CODE and PUBLICLY FINANCED CANDIDATES

The Open and Ethical Elections Code establishes voluntary limits on campaign spending and equal public financing of campaigns for mayoral and city council elections. Participation from the candidates is voluntary. To qualify to receive funding from the public financing fund, candidates have to gather \$5.00 donations from 1% of the registered voters in their district. In general, candidates who elect to participate in public financing receive from the fund \$1.00 for every registered voter in their district to fund their campaign for public office. In exchange for getting disbursements from the fund, candidates are not allowed to accept or spend private campaign contributions.

The following have qualified as participating candidates and have agreed to the terms and conditions of the Open and Ethical Elections Code: Council Candidates: District 2, Isaac Benton; District 4, Israel Chavez; District 6, Patrick Davis;

VOTER IDENTIFICATION

Is identification required when I register? You need to present identification when you register to vote **only if you are registering for the first time in your county and you register by mail.** If you do not submit the proper identification, you will be asked to provide it

before you vote in your first election. Accepted identification if you are registering for the first time by mail includes a copy of any current and valid photo ID, a utility bill, bank statement, government check, paycheck, or any other government document that shows your current and valid name and address.

What identification is required when I vote?

The voters of Albuquerque passed an amendment to the Election Code of the Albuquerque City Charter on October 4, 2005, that requires voters in a city election to provide a photo identification card prior to voting.

The identification requirements are as follows:

1. When a voter approaches the Election Clerks at the polling place, the voter must identify himself or herself by stating his/her name.
2. The Election Clerks will locate the voter's name in the election rolls, and ask the voter for one identification card containing the voter's name and photograph.
3. The photo identification may include, but is not limited to, any of the following types of cards:

- issued by a government agency (e.g., passport, city/county/state/federal ID badge, state identification card)
- driver's license
- student identification card
- commercial transaction card such as a credit or debit card
- insurance card
- union card
- professional association card
- photo identification card issued by the City Clerk (only issued when other photo ID is unavailable).

This list is not exclusive. If the voter is able to present an identification card that contains the voter's picture and name he/she should be issued a regular ballot.

The League of Women Voters of Central New Mexico is a non-partisan organization that provides information about political issues and candidates for public office in order to promote greater citizen responsibility and participation in government. Because the League is non-partisan, it DOES NOT support or oppose any political party or candidate. It does publish and distribute factual information for citizens to use when preparing to vote.

The information in this Voters' Guide was obtained by means of questionnaires sent to the candidates who have opposition. Their answers are printed exactly as received by the League. Because of space restrictions, candidates are limited to a specific number of words. Also, lists are converted to paragraphs and responses are converted to normal text. Certified write-in candidates will have only their names listed. All candidates are listed in the order they will appear on the October 6, 2015 ballot.

In instances where there is a question of potentially defamatory content, the League will defer to the opinion of counsel.

What if I do not have a Photo Identification?

If the voter is unable to provide a photo identification card, he or she is still allowed to vote on a provisional ballot. The voter will be given a provisional ballot to complete, and it will be placed in an envelope and returned to the City Clerk's office. The voter then must come in person to the Clerk's office within 10 days with photo identification that will allow the Clerk to determine if he/she is the actual voter.

ELECTION DAY

On October 6 the polls will be open from 7:00 a.m. to 7:00 p.m.

VOTING CENTERS

In 2011, the New Mexico Legislature passed a bill allowing county commissioners and other governing bodies, like our City Council, to consolidate up to 10 precincts into a "consolidated precinct" for general, primary, municipal and school elections. What this means for the City of Albuquerque election is that on Election Day any voter will be allowed to vote at any Consolidated Voting Center in the city much like they already do at Early Voting sites. There will no longer be voting at the precinct level on Election Day. The Early Voting locations and Consolidated Voting Centers are in addition to the voter's option to vote by Absentee Ballot.

On Election Day voters can vote at ANY Consolidated Voting Centers.

To locate a Vote Center near you go to <http://www.cabq.gov/voting-elections/election-information/oter-information>

Translations will be available by telephone. If you would like assistance at the polls in the form of an interpreter for Keres, Navajo, Tiwa or Spanish, please call the City Clerk's office, 924-3650, on Monday, October 5 or on Election Day, Tuesday October 6.

VOTING OFFENSES

Voters are obligated to report voting offenses to the City Clerk or the District Attorney. Voting offenses are:

- any form of campaigning within 100 feet of a building containing a polling place
- using or possessing or carrying alcoholic beverages within 200 feet of a polling place
- false voting, such as voting or offering to vote although not qualified, voting in another's name, voting more than once during a single election, or asking or assisting another person in committing a voting offense

RUN-OFF ELECTION

If no candidate for City Council receives 50 percent of the vote cast in the October 6 election, the two candidates who received the highest number of votes will be on the ballot for the run-off election. If needed, a run-off election will be held on November 17. Voter registration for the run-off election will close October 20. On October 30 early voting begins at locations citywide.

CÓDIGO DE ELECCIONES PÚBLICAS Y ÉTICAS Y CANDIDATOS FINANCIADOS CON FONDOS PÚBLICOS

En 2005 los votantes de Albuquerque votaron de manera abrumadora por una enmienda a los Estatutos de la Ciudad que establece el Código de Elecciones Públicas y Éticas. Dicho código establece límites voluntarios a gastos de campañas e igualdad de financiamiento con fondos públicos para las campañas de elección de alcalde y concejales municipales. La participación de los candidatos es voluntaria. Para calificar para ser financiado por el fondo público de financiamiento, los candidatos tienen que reunir donaciones de \$5 dólares provenientes del 1% de los votantes registrados en sus distritos. En general, los candidatos que escogen participar en el fondo de financiamiento público, reciben \$1 dólar por cada votante registrado en sus distritos para financiar sus campañas para cargos públicos. A cambio de recibir desembolsos del fondo mencionado, no se permite a los candidatos aceptar o gastar contribuciones privadas para sus campañas.

Los candidatos siguientes se han calificado como candidatos participantes y han consentido a los términos y condiciones del Código de Elecciones Públicas y Éticas: Candidatos concejales: Distrito 2, Isaac Benton; Distrito 4, Israel Chavez; Distrito 6, Patrick Davis.

¿Qué tipo de identificación necesito cuando voy a votar? Los votantes de Albuquerque aprobaron una enmienda al Código de Elecciones de los Estatutos de la Ciudad el 4 de octubre de 2005 que requiere que los votantes en una elección de la Ciudad presenten una identificación con foto antes de votar.

Los requisitos de identificación son los siguientes:

1. Cuando un votante se aproxima a los encargados de la elección en las urnas, el votante debe identificarse diciendo su nombre.

2. Los encargados de la elección buscarán en sus registros el nombre del votante y le pedirán una identificación que contenga el nombre y la foto del votante.

Esta lista no es exhaustiva. Si el votante puede presentar una identificación que contenga la foto y nombre del votante, éste debe recibir una papeleta normal de elección.

¿Qué sucede si no llevo identificación con foto?

Al votante que no presente identificación con foto se le permitirá votar con papeleta provisional. CENTROS DE VOTACIÓN

En 2011 la legislatura de Nuevo México aprobó una ley que permite que los comisionados del condado y otros órganos del gobierno, como nuestro consejo municipal, consoliden hasta 10 distritos electorales en un 'distrito consolidado' para las elecciones generales, escolares y municipales. De manera que el día de la elección en la Ciudad de Albuquerque se permitirá a cualquier votante votar en cualquier Centro de Votación dentro de la ciudad, tal cual como ya lo hacen en los sitios de la votación temprana. La votación ya no se realizará a nivel de distrito electoral.

El día de las elecciones, los votantes podrán votar en CUALQUIERA de los Centros Consolidados de Votación.

Para ubicar un Centro de Votación cerca a usted entre a: <http://www.cabq.gov/voting-elections/election-information/oter-information>

Traducciones estarán disponibles por teléfono. Si usted desea asistencia en las elecciones en keres, navajo, tiwa o español, por favor, llame a la Oficina de la Escribana (924-3650) el lunes, 5 de octubre, o en el día de la elección, martes 6 de octubre.

OFENSAS DE VOTACIÓN

Los votantes están obligados a denunciar ofensas de votación a la Oficina de la Escribana o al Abogado del Distrito. Las ofensas de votación son:

- Votación falsa, por ejemplo, votar o ofrecer de votar aunque no esté calificado, votar con nombre de otra persona, votar más de una vez durante una elección, o pedir o asistir a otra persona en cometer una ofensa de votación.

ELECCIÓN DE DESEMPATE

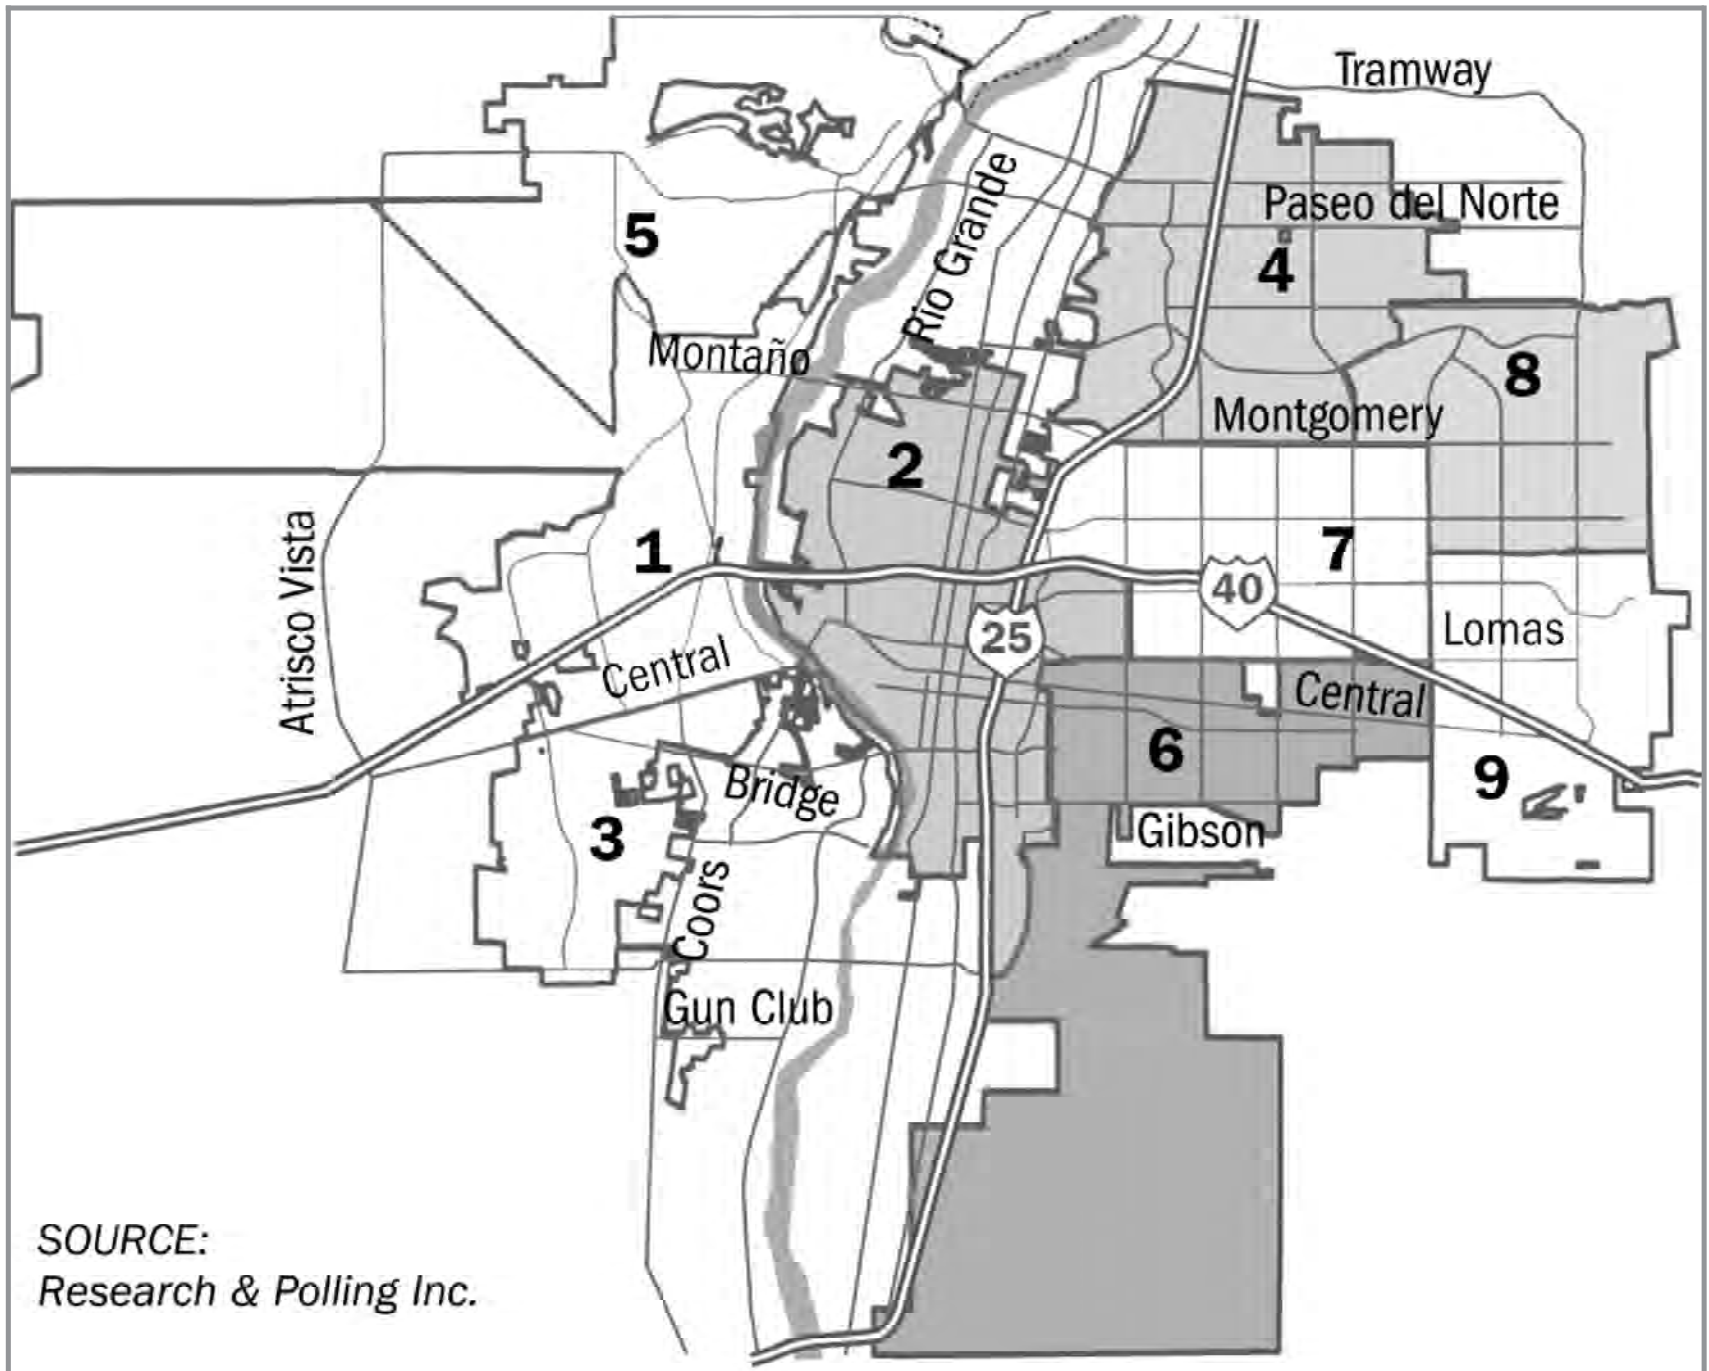

Si ningún candidato para concejal municipal recibe al menos el 50 por ciento del voto en las elecciones de 6 de octubre, los dos candidatos que reciban la mayoría de los votos estarán listados en la papeleta para la elección de desempate. DISTRICT 2

Isaac BENTON

UNCONTESTED

DISTRICT 4

Israel CHAVEZ

I'm a native New Mexican that has gained valuable experience working with a statewide non-profit organizations, conducting policy advocacy, and making sure private and public entities follow the law. As the son of a small business owner and a teacher, I will bring fresh ideas to our city's unresolved problems. On the council, I will make sure we make smart decisions that help insure a sustainable future for our city.

I want meaningful reform and support of APD. We can't be satisfied with a grossly understaffed department. I will increase training and qualified staff in APD in order to restore the balance in our community. Teen overdose rates are higher now than ever and our communities are suffering. I want to invest in community-based initiatives that engage our youth: skill training, extracurricular programs, and treatment and intervention that make Albuquerque safer.

Local businesses are struggling in this economy and need help. I will partner with local banks and credit unions to incentivize low interest micro loans for small businesses. Entrepreneurship in tech and green industries can flourish under these city-supported incentives. For long-term growth, we need to focus on supporting locally grown businesses, whose roots are in this city, so we can make Albuquerque the most business friendly city in the area.

The only acceptable outcome is one in which our city's trust in APD is restored. We need to implement real reforms that give APD the resources they need to mend fences with the community. On the council, I will support initiatives that allow the council to review candidates for police chief and increase involvement in the activities of APD to ensure we improve transparency and accountability.

Brad WINTER

I'm honored that the people of District 4 have asked me to serve on the Council for the last 16 years. I was elected president four times and am currently the vice president. I will use that experience to continue keeping taxes low, prioritizing public safety and essential services, and standing up for small businesses. As former APS Superintendent, I also have a unique contribution to make for youth safety and education.

1. Protect small businesses and the jobs they create. Albuquerque is still struggling to recover from recession which means we need to give businesses every opportunity to succeed and expand. I will oppose nonsensical, burdensome regulations like the Fair Workweek Act and fight to keep taxes low. 2. Keep APD on path to reform by supporting our officers, putting more officers on the street, and quickly meeting DOJ requirements so that we can move forward.

Work with the Mayor, the Governor and the Legislature's Job Council to do what 40 other states are doing - building a fund to incentivize local businesses to expand and hire, and also attract new businesses to Albuquerque. I will oppose misguided regulations like the Fair Workweek Act that hurt small businesses. I will continue to lead on initiatives for youth safety, training, and education so that students are employable when they enter the work force.

Thanks to efforts made by the Council and Mayor, many of the DOJ- recommended reforms were already being implemented at APD before their arrival. We have worked aggressively to make changes that both support our officers and protect our citizens. The best thing we can do is to stay on track and complete the process as soon as possible. We also need to continue hiring new, qualified officers - a challenge faced by cities across the country.

"People often say that, in a democracy, decisions are made by a majority of the people. Of course, that is not true. Decisions are made by a majority of those who make themselves heard and who vote – a very different thing."

Walter H. Judd

DISTRICT 6

Patrick M. DAVIS

I've spent my entire adult life helping communities move forward. As a police officer, I worked with neighborhood associations and churches to build community-policing programs that helped us prevent crime together. And as a community organizer, I built New Mexico's largest progressive advocacy organization by defending minimum wage, and organizing door-to-door defeat an unnecessary ordinance restricting women's healthcare. My public service has brought results and I'm ready to roll up my sleeves for District 6.

Crime, particularly property crime, is a serious problem, in part because APD has been focused on military weapons and armored vehicles more than community policing. Let's invest in neighborhood beat officers and mental health training to prevent crime before it starts. I will also propose a 100% equal pay law and reinstate the Equal Pay Task Force to ensure that companies doing business in Albuquerque pay women 100% of what they deserve.

Let's start growing jobs and industry by investing in those that already work. As the state closes the solar tax credit, let's create a local Green City Fund to incentivize solar use in city and residential property. And together we can promote our most unique neighborhoods, like Nob Hill and the International District to our own residents as quirky and exciting places to shop local, have dinner and spend money.

As a former police officer, I know that success came when the community helped set outcomes for my work. Community oversight of APD and prioritizing neighborhood-based officers will help to build a department we can work with. Like too many of my neighbors, I've also been the victim of crime at my own home. Without investment in recruiting and training officers who want to help prevent crime before it starts, we won't reverse current trends.

Hess "Hessito" YNTEMA

I was born and grew up in Albuquerque and am familiar with our City and our ways of life, which I am committed to maintain and improve. I am educated and licensed as a lawyer, and actively practice law, which should help me in considering matters at the City Council. My science background (geology) can be helpful in considering technical matters. I speak Spanish which may also be helpful.

1. Represent District 6 constituents generally with energy, patience, and attention to details. Councilors must be responsive to their constituents needs, and I understand this to be the primary job for a Councilor.
2. Improving public safety, through oversight of and support for the police and the City's law enforcement process.

I intend to focus on basic services: police and fire, public safety generally, municipal utilities, environmental protection, streets and bridges. Constituents depend on the City for important basic services and economic development depends on consistent, fairly priced, and otherwise reasonable basic services. Also I would like to see more work on maintaining and improving our electronic infrastructure, which is critical to economic development.

The City needs to fully and completely satisfy and fulfill the policing reforms. Constituents and our future depend on effective, fair law enforcement. We need more well-trained police officers. The City Council should pay close attention to the police reforms, and enact supporting legislation and budgets.

Samuel P. KERWIN

I may only be 22, but I have lived the last 22 years of my life right here in Albuquerque. I grew up here, went to public school here, and continue to live here. Being raised in Albuquerque I have experienced firsthand the chronic problems facing our city and I know what issues need to be addressed. I have no ties to special interests or political parties; my only interest is seeing our neighborhoods improve.

We must invest in early childhood education and find permanent housing for the homeless. With 1 in 3 children growing up in poverty, we need to ensure they have access to quality education so they can reach their highest potential. Additionally, we must fully fund existing programs to get people off of the streets and into stable living conditions. By addressing these issues head on, the city will save money in the long run. kerwinyouwin.com

Federal dollars are great, but in order to have a robust local economy we must diversify. This entails supporting small businesses and attracting tech and computer-science companies. East of San Mateo on Central, 43 percent of store fronts are vacant. Why not make it easier to obtain a business license and provide incentives to open start-ups in these abandoned stores? Furthermore, the highest paying jobs today are in technology and coding, let's bring them here!

As a city we shall implement neighborhood policing. A squad car will be assigned to each neighborhood and stationed there day in and day out, week in, week out, month in, month out. Officers won't just be sitting in their car, but instead walking around, patrolling the streets, getting to know neighbors and the reoccurring issues in the neighborhood. Building a neighborhood cop system will foster a trust in police, where currently there is none.

GENERAL OBLIGATION BONDS

A bond represents a sum of money borrowed by a government to finance capital improvement projects. The government promises to repay the amount borrowed, plus interest, over a period of time. The bonds are called "General Obligation" because payment of the debt service (principal plus interest) is a general obligation of the county and its property owners. That is, the bonds are backed by the full faith and credit of the county.

General Obligation bonds require approval by the voters and are repaid from a portion of the property taxes. Because old bonds are being retired as the new bonds are requested, passage of the bonds will generally not result in property tax increases. If all the bonds pass, property taxes will remain the same. If all the bonds fail, property taxes will be reduced about \$2.64 per month for a home valued at \$150,000; about \$1.73 per month for a home valued at \$100,000.

City Charter Amendments

Propositions amend the Albuquerque City Charter. Three propositions will appear on the municipal election ballot. All qualified Albuquerque voters may vote for or against the proposition. The propositions are summarized below.

Proposition 1

If passed, City Charter Amendment 1 would change the required number of petition signatures to place a voter initiative on the election ballot to 20% of the number of voters from the last mayoral election. Currently, to put an initiative on the ballot the charter requires 20 percent of the average turnout during the last four regular city elections or 20 percent of the turnout in the last election, whichever is greater. If passed, this amendment would, most likely, increase the number of signatures required for a voter initiative to get on the ballot.

Charter Amendment 1 would also require that such initiatives be voted on at the next general or regular municipal elections. Currently, the city charter requires an election on a voter initiative be held within ninety days after the filing of the petition if the city council fails to adopt the proposal.

SUMMARY

Proposing to amend petition signature requirements for direct legislation by voter initiative and require that such initiatives be submitted to voters only at either general elections or regular municipal elections.

TITLE & PROPOSITION

PROPOSING TO AMEND ARTICLE III, SECTIONS 3(a)(3) and 3(a)(6) OF THE ALBUQUERQUE CITY CHARTER:

"Section 3. DIRECT LEGISLATION BY VOTER INITIATIVE.

(a) . . .

3. The number of qualified voters required to sign the petition shall be a number more than [~~20% of the average number of voters who voted at the four regular municipal elections prior to filing the notice of intent or more than~~] 20% of the number of voters who voted at the [last] regular municipal [mayoral] election prior to filing the notice of intent[~~, whichever is greater~~];

. . .

6. If the Council fails to act upon a measure so proposed within fourteen days after the City Clerk files a certification with the Council that the petition has been signed by the required number of voters, or the Council acts adversely thereon or amends it an election on the issues must be held [~~within ninety days after the date of filing the petition~~] [at the next general election or regular municipal election.]

City Charter Amendments

Proposition 2

If passed, City Charter Amendment 2 would require that only the title and a summary of proposed ballot initiatives be printed on the election ballot. The full text of a ballot measure would no longer be included on the ballot.

SUMMARY

Proposing that ballot requirements for charter amendments be amended so as to require only a title and summary.

TITLE & PROPOSITION

PROPOSING TO AMEND ARTICLE VI, SECTION 5 OF THE ALBUQUERQUE CITY CHARTER:

"Section 5. BALLOT.

At such election the ballot shall contain a summary [, and] title [~~and the complete text~~] of the proposed amendment . . ."

FOR _____ AGAINST _____

Proposition 3

If passed, City Charter Amendment 3 would require the City Council's advice and consent to confirm the appointment of the Albuquerque Chief of Police and the Albuquerque Fire Chief. Currently, the mayor has the sole authority to hire and fire the Chief of Police and the Albuquerque Fire Chief.

Proposition 3 *(continued)*

SUMMARY

Proposing to require the City Council's advice and consent for the appointment of the Albuquerque Chief of Police and the Albuquerque Fire Chief.

TITLE & PROPOSITION

PROPOSING TO AMEND ARTICLE V, SECTION 4(d) OF THE ALBUQUERQUE CITY CHARTER TO READ AS FOLLOWS:

"Section 4. DUTIES OF THE MAYOR.

"The Mayor shall:

...

(d) With the advice and consent of the Council, appoint the Chief Administrative Officer and deputy administrative officers[, the Chief of Police, and the Fire Chief]. Appointees requiring the advice and consent of the Council shall be presented to the Council for confirmation within 45 days after the Mayor takes office or after a vacant appointed position is filled. When an appointee is presented to and not confirmed by the Council, the Mayor shall, within 60 days thereafter, nominate another person to fill the position, and the Mayor may continue to nominate until confirmation;

Bond Reallocation Question

The City Council has passed a resolution to ask voters to reallocate \$6,500,000 of previously approved and issued general obligation bonds from their original limited scope to a broader use for Metropolitan Redevelopment Projects. The bonds were originally approved by the voters for Metropolitan Redevelopment projects in the 2005 to 2011 bond cycles. However, a large portion of those bonds were issued as street bonds, restricting their use. Approval of this resolution will allow the bonds proceeds to be used for a wider range of Metropolitan Redevelopment authorized purposes.

Gross Receipts Tax Increase For Albuquerque Bio Park

If passed, an additional gross receipts tax equal to **one-eighth of one percent (.125%)** would be imposed on most goods and services beginning July, 2016.

The revenue from this additional gross receipts tax would be used for the capital needs of the Albuquerque BioPark (zoo, aquarium, botanic gardens and Tingley Beach). The additional tax would raise nearly \$17 million a year adding approximately 13 cents on a \$100 purchase. This additional gross receipts tax would continue for 15 years. The current GR tax rate is 7.1875%.

Pursuant to the Albuquerque City Charter direct legislation by voter initiative is authorized provided certain requirements are met, including that a minimum number of registered voters have signed the petition to place the initiative on the ballot.
